GATE MOCK TEST – I

Name of the department : **Mechanical Engineering**
Name of the exam : **GATE Mock Test – I**
No. of students appeared : **15**
Date of the exam : **25.04.22**
Venue of the exam : **CM Block, UCE, AKNU.**

On 25.04.22, a mock test was conducted as a part of GIG activity in order to assess the student performance at that level. This test covered the syllabus up-to III Year II Semester. It is conducted such that it gives an idea of students' strengths and weaknesses individually which can help in planning a schedule for their preparation in cracking the GATE exam. Such mock tests will take place frequently so that the students will get an exposure of giving GATE exam before they finally attempt the GATE Examination.
