I am by direction to inform you that there exist two papers in UG CBCS B.Com Computer Applications course, namely, paper Titled "DSC ID: Banking Theory & Practice" in the IV Semester and paper titled "Elective DSCIF/Inter disp. 5.5 Programing in C" in the V Semester as per the present course structure.

In view of the difficulties faced by the students in the V Semester of B.Com Computer Applications and considering the resolutions of the Undergraduate Board of Students in Commerce, the above said papers reshuffled in to IV & V Semesters is as follows:

Sl.No	Semester	Course Code	Old Paper	Reshuffled paper
1	IV	DSC ID	Banking Theory & Practice	Programing in C
2	V	Elective DSCIF/Inter disp. 5.5	Programming in C	Banking Theory & Practice

The above changes are applicable to 2017-18 admitted batch students onwards.

With regards

Sincerely yours
