Rajmahendravaram.

Sir,

Sub: M&H-Rastriya Bala Swasthya Karyakram (RBSK) –National Deworming Day for 1-19 years age Group children - Provide strength of Degree first year students in the university affiliated Colleges and necessary order may be issued to the college management for Implementation of the program—Request regarding.
Ref: Proc RC. No 315/RBSK/NHM/2014 from Director of Health and Family welfare, AP, Goliapudi Dt: 24-07-2019

It is to Inform you that Government of India is conducting the **National De worming Day** twice in a year for the children 1-18 years in Anganwadi Centres; Government & Aided Schools, Govt. Junior Colleges. But, this year it is instructed to conduct for 1-19 years children i.e in Degree College, Polytechnic College, ITI College even in the Private institutions also on 8th August'2019 through Rastriya Bala Swasthya Karyakram (RBSK), a national program in the District.

In view of the reference cited above, it is requested to provide strength of Degree first year students in the university affiliated Colleges so as to distribute the Albendazole 400mg tablets according to their strength.

Further it is requested that necessary order may be issued to the Degree college management for the implementation of the program in their college to avoid the reluctance in accepting the drug from the health department.

Done

Yours faithfully,

Ratna
DC-RBSK

District Coordinator
Rastriya Bala Swasthya Karyakram (RBSK)
