2. The Andhra Pradesh Professional Educational Institutions (Regulation of Admission into Under-graduate Professional courses through Common Entrance Test) Rules, 1993, issued in G.O.Ms.No. 184 Education dated 20-08-1993 stipulate the following reservations, namely:-

(i) SC's 15%

(ii) ST's 6%

(iii) BC's 25% and shall be allocated among the four groups of Backward Classes as follows:-

i) Group A - 7%

ii) Group B - 10%

iii) Group C - 1%

iv) Group D - 7%

3. In the case of 'Ritesh R. Shah Vs. Dr. Y.L. Yamul and others' (A.I.R. 1996 S.C. 1378) the Supreme Court held as follows:-

"A student who is entitled to be admitted on the basis of merit though belonging to a reserved category cannot be considered to be admitted against seats reserved for reserved category. But at the same time the provisions should be so made that it will not work out to the disadvantage of such candidate and he may not be placed at a more disadvantageous position than the other less meritorious reserved category candidates. The aforesaid objective can be achieved if after finding out the candidates from amongst the reserved category who would otherwise come in the open merit list and then asking their option for admission into the different colleges which have been kept reserved for reserved category and there after the cases of less meritorious reserved category candidates should be considered and they will be allotted seats in whichever colleges the seats should be available. In other words, while a reserved category candidate entitled to admission on the basis of his merit will have the option of taking admission in the colleges where a specified number of seats have been kept reserved for reserved category but while computing the percentage of reservation he will be deemed to have been admitted as an open category candidate and not as a reserved category candidate."

W.P.No. 26404 of 1999 and W.A.No. 795 of 1999 relating to MBBS admissions made by the NTR University of Health Sciences has ordered to fix the meritorious SC, ST & BC category students strictly in order of merit for the general seats adhering to the principles laid down by the Supreme Court in the Ritesh R. Shah's Case and accommodate meritorious students belonging to Scheduled Caste/Scheduled Tribe and Backward Classes students by deleting the other students allotted in the open competition from the list and resultant equal number of vacancies shall be filled up by drawing the other meritorious candidates belonging to Scheduled Caste/Scheduled Tribe and Backward Classes communities who will be next eligible. Therefore, it is clear that the resultant vacancies shall be filled by the students belonging to the respective reservation categories only.

5 After careful consideration and due examination of the issue relating to implementation of reservation for Schedule Caste/Schedule Tribe and Backward Classes in Engineering and other Professional Courses the following instructions are hereby issued.

- (i) In the counselling process, the seats to be filled by open competition should be filled up first, wherein the candidates should be called for counselling based on merit alone irrespective of whether they belong to S.C., ST or B.C. in accordance with the instructions issued by the Government in G.O.Ms.No. 996, Employment & Social Welfare, dated: 11th November, 1975.
