Think of the teaching profession as a flame. Overcome the darkness of ignorance and fill with the light of wisdom. The flowers that grow in the flower garden of your heart bring much joy to them. You feel that your life is blessed in the service of the students. Your activities are inspiring to others by educating others with the motto that protecting students like a mother, like a father, reaching out and supporting friends. In educating your career to students and giving time will alleviate and enrich if anyone is satisfied. You are the idea to school, the superior person, the community builder, the social person. The country is indebted to you for providing the best citizens to the country. Hoping that in the future you will further your services in the field of education to the community.
