

ADIKAVI NANNAYA UNIVERSITY – MSN CAMPUS

Thimmapuram, Kakinada, Andhra Pradesh – 533005.

LIBRARY MANAGEMENT SYSTEM

Adikavi Nannaya University – MSN Campus has an eminent Library which provides students with academic, phenomenal, and noble books for their all round development. With the growing needs of library, it is expected to incorporate Library Management System that provides digital ledgers and e-support for the Library Administration as well as Students. This system increases the reachability of books towards students and helps to keep track of books with ease.

The Library Management System for Adikavi Nannaya University – MSN Campus has been developed by students of Adikavi Nannaya University, with all the requirements being fulfilled. The Project has been developed using PHP, MySQL, HTML and has been deployed in the University Server.
