Implementation of e-Office in Adikavi Nannaya University: Status Report

On behalf of the Adikavi Nannaya University, we are thankful to Department of Higher Education for introducing e-office in our campuses. With the implementation of e-office, we can bid goodbye to the outdated mechanisms of file movement through tiers of administration and thus delaying the processes.

In order to ensure that the e-office remains functional, the IT team continuously monitors working conditions of computers, internet and power back issues.

AKNU – IT team has already completed User Mail creations for staff members, Mapping with Roles, Section wise file Heads Creation and Getting the Digital Signature Certificates from District Information Center, Kakinada as a part of the e-office implementation initiative.

Our staff members have attended three office training sessions provided by NIC and APHRDI.

At present, our staff members are working in both the old routines and also in e-office file movement processes while the transition to complete e-office mode is in process.

The following are major sections involved in file movement through e-office.

1. Admissions
2. Academic Affairs
3. Examinations
4. College Development Council
5. Accounts
6. Establishment Sections
7. Campus Colleges – 6nos.
8. Library
9. Hostels
10. Registrar's Peshi
11. Vice – Chancellor's Peshi
