Inauguration of 'BIT'

- ❖ The BiT (Technical Club) was inaugurated on 26-02-2020 by Honourable Vice - Chancellor Prof. M. Jagannadha Rao and Dr. V. Persis, Principal, UCE-AKNU.

AIM of BiT Club (Bring in Talent):

- The main aim of this club is to provide an opportunity to explore the trends in technology, enrich talent & exhibit skills of each and every student under the club.
- To develop effective and essential leadership skills in students and student groups through organizing different BiT activities.
- It is a platform to develop soft skills, Communication skills and to explore about technological advancements in various fields of Computer Science Engineering.

Objectives:

- To provide a comprehensive look at the different major areas of technology, and encourage student's interests in any and all academic and career focuses.
- To assist students in gaining technical knowledge, and create an environment that fuels their ability.
- To strengthen the confidence of students in themselves and their work.
- To encourage students in the development of individual projects that contributes to the improvement of Department, University and community.
- To stimulate active participation and access in learning process.
- To develop expertise in practical sense through various intensive activities.
- To develop techniques for critical and logical things.

Proposed Activities:

- To conduct tech-events and projects with students.
- Organize lectures, debates, seminars, quiz on various technologies.
- Displaying trends in technology.
- Celebrating birthdays of eminent personalities in the field of computer.
- Preparing of charts and posters model, etc.
