### DEPARTMENT OF **ELECTRONICS AND COMMUNICATION ENGINEERING**

#### Report On **VECTOR CLUB, A.Y: 2019-2020**

The student clubs were initiated by our Honourable Vice Chancellor Prof. MOKKAJAGANADHARAO.

These clubs were organized to bring out the innovative ideas from the students for the department of ELECTRONICS AND COMMUNICATION ENGINEERING, we have a club named VECTOR.

VECTOR CLUB is named after a physical quantity which has both magnitude and direction, which suits to the department of ECE which deals with signals and many other things. The VECTOR club logo consists of a DELTA operator which defines direction of signals and which defines magnitude increases exponentially with value of C.

On a whole point of naming VECTOR is to have a clear vision towards our goals and our passion.

#### **ABSTRACT:**

A student Organized club from department of ECE is to create enthusiasm and passion towards electronics and other allied technologies. Club assures the members to reach heights in the field of electronic as well as life skills.
