

# REPORT ON GATE INTEREST GROUP (GIG)

Name of the club : Vector Club

Department : Electronics and Communication Engineering

Event title : Gate Cognizance

Date : 31.03.2022

Venue : Room No. CC105, convention Centre, UCE, AKNU.

Gate Interest Group (GIG) is a group in which all the GATE aspirants were involved. On 22.03.2022, it was inaugurated by our Vice-Chancellor, Prof. M. Jagannadha Rao, which was then supported and guided by Dr. V. Persis, Principal University College of Engineering. In continuation with that, a power point presentation on GATE was given by the student coordinators of Vector Club from the department of Electronics and Communication Engineering to bring cognizance among students on GATE exam in RoomNo.CC105(Electronics Devices and Circuits Lab), Convention Centre at 11:00 AM under the supervision of Ms. P. Venkata Ratnam, faculty GIG coordinator. Total of 93 students were enrolled for this session. The session was addressed by the faculty GIG coordinator and the presentation was given by Mr. A.Jagadesh, V. Gayatri (club coordinators from II ECE). At the end of the session, students who were showing interest were added to this group which was already created on 22.03.2022.
