## Orientation Session

- The Department of EIE – **Instrument Genie** organised an orientation session for II and IV year students on 22-06-2021.
- This event is about on the following topics:
  1. To discuss on the events which are going to take part in the academic year 2021-2022 as a part of club activities.
  2. Club faculty coordinator and Students coordinator have explained briefly about the calendar to the students of Department of EIE.
  3. This session was held under the supervision of Mr. Jenne Hanumanthu, Course Coordinator, Department of EIE, University College of Engineering, Adikavi Nannaya University.
- Session was held in classrooms of EIE.

## Mini Project Expo

- A Mini Project Expo was organized by 'Instrument Genie' club on 17-07-2021
- Club Students were encouraged to do the projects in electronics, electrical and Arduino based projects.
- This expo is conducted departmental level and students of final year and second year have participated actively.
- A Total of 16 Mini Projects have done by the students consisting of 4 students in each batch.

## Resume Building

- A Power point Presentation was organized on 03-08-2021 by the students of final year in order to strengthen their resume for the placement drives and for higher studies.
- Every student of final year was encouraged to give a presentation.
- This session was led by Dr. D. Kishore, Assistant Professor, Department of EIE under the guidance of Mr. J. Hanumanthu, Course Coordinator, Department of EIE, University college of Engineering.
- Dr. Srinivasarao Divi, Faculty coordinator, Assistant Professor, Department of EIE had motivated the students to participate in the presentation.

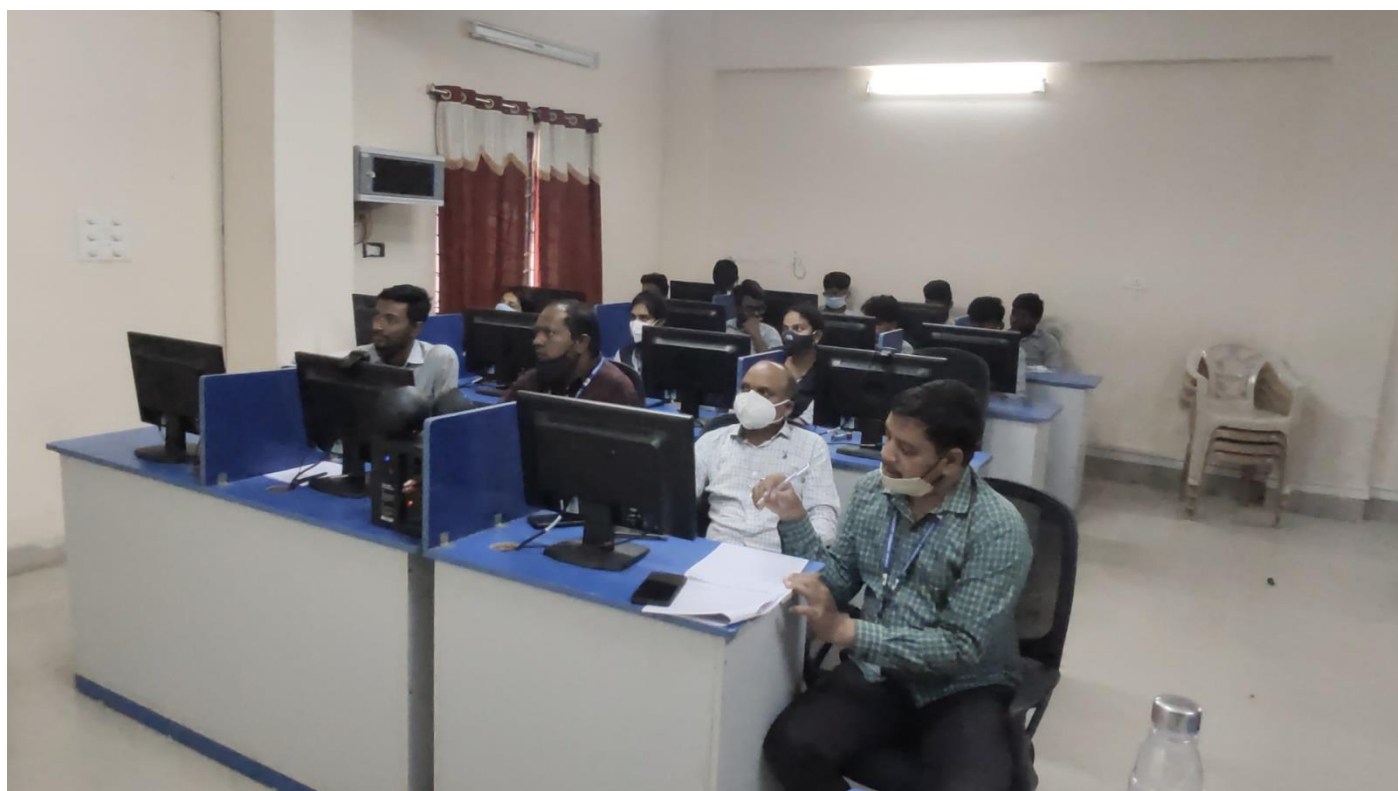

## Stage Talks

- Stage Talk was conducted on 02-09-2021 and it is an idea of sharing the experiences and challenges in after the completion of the course for an outgoing student.
- In this regard Alumni Students of Department of EIE are requested to come to the department and share their thoughts to the present outgoing batch.
- This session held under the guidance of Mr.J.Hanumanthu, Course Coordinator, Department of EIE, University college of Engineering.

## Industry Familiarization

- To familiarize the instrumentation concepts which are used in the industries, research laboratories a webinar was conducted on NMR Spectroscopy and its types by IISc Bangalore.
- It was organized on 07-10-2021 in online

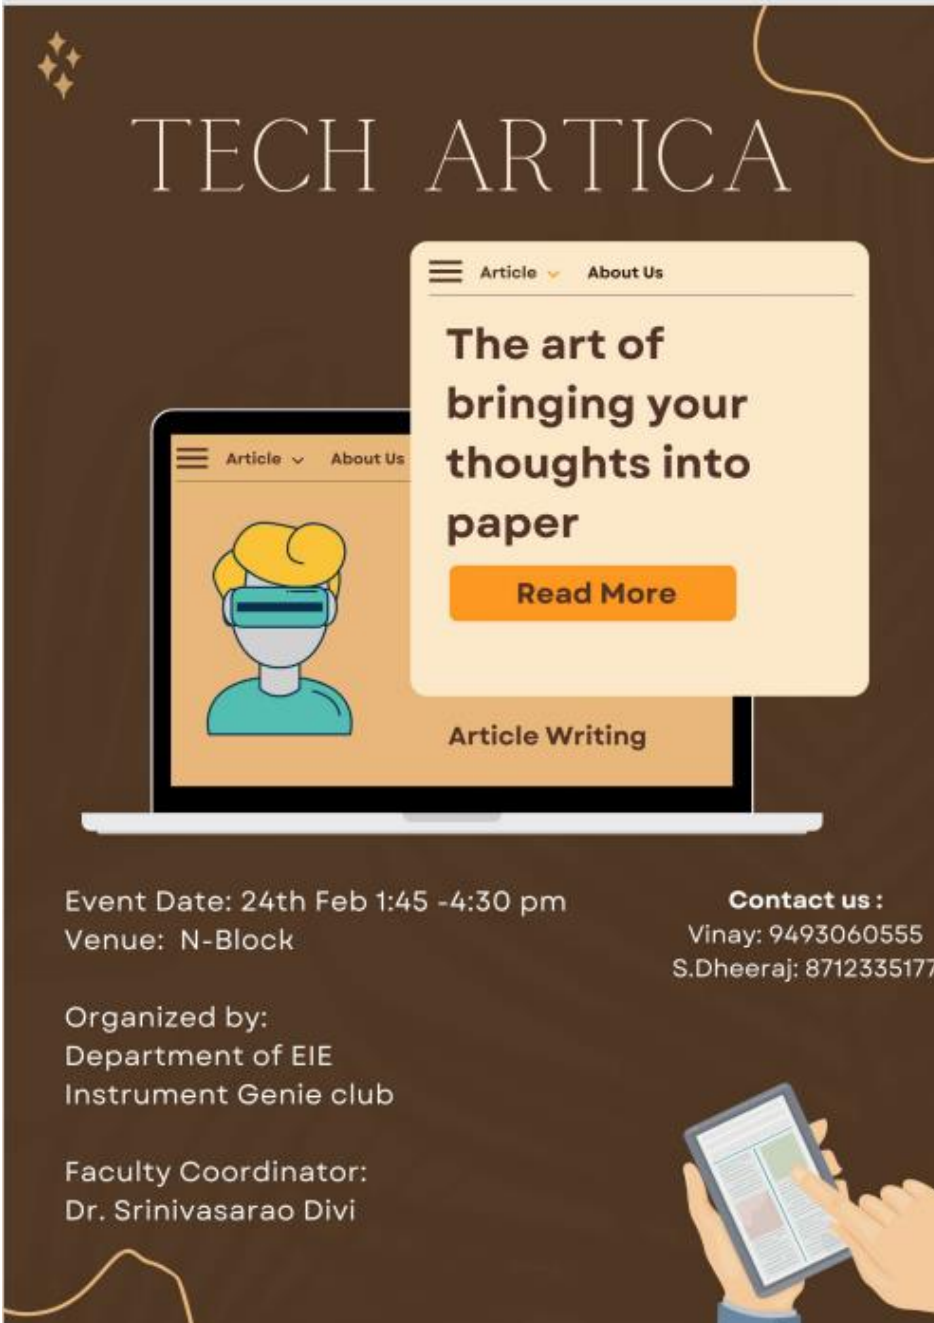

## Article Writing

- Pen and Poster competition was held on 12-12-2021 on the topic of recent technologies. All the students of Instrument Genie club are insisted to participate in the pen and poster competition.
- The students can either write an essay on the topic or can draw a poster on the given topic.
- Competition was conducted in EIE classroom.

## Tech Artica

- Instrument Genie club in connection with 2<sup>nd</sup> Anniversary of Club Carnival a technical event named Tech Artica was organized.
- It is a competition of Technical Article Writing. In this all the students of University College of Engineering are allowed to participate.
- A set of rules was given to the students to follow them while preparing their article.
- The students are requested to submit both hard copy and soft copy to the department.

The poster features a dark brown background with the title 'TECH ARTICA' in a light, serif font at the top. Below the title, there is a central graphic of a laptop displaying a website. The website has a navigation bar with 'Article' and 'About Us' and a main content area with the text 'The art of bringing your thoughts into paper' and a 'Read More' button. To the right of the laptop, there is a hand holding a tablet displaying a document. At the bottom left, there is a small cluster of four gold stars.
