About the Webinar:

The Covid-19 lockdown has brought us to a standstill in our academic and professional activities. However the online tools/software available provide us an opportunity to create a platform in sharing our knowledge and transfer of information. The present webinar is one such effort to interlink academics & research through eminent speakers in these fields. It aims to inspire the students to pursue research and explore opportunities for national building.

Webinar Date & Time
29th May, 2020 @ 4:30 PM
